Flotation 2022

International Metallurgical Consultants is pleased to organize the 4th edition of the most important Conference focused on **MINERALS FLOTATION AND CONCENTRATOR PLANTS** on the region.

HYBRID FORMAT: IN PERSON AND ONLINE

We will have the attendance of world-class experts, who, together with the responsible for the Concentrator Plants, Research Center and Top Suppliers, will discuss fundamental and technological aspects, share operating experiences along with best practices in Flotation.

The program includes approximately 50 carefully selected technical presentations and a discussion on the problems in the Plants and alternative solutions.

AREAS OF INTEREST

I. MATERIALS IN PROCESS

- Minerals in flotation (Sulphide and gangue mineralogy)
- Air in flotation
- Water in flotation, tailings water recovery strategy.
- Flotation reagents (Collectors, foaming agents, modifiers, activators, lime, CMC)

II. MACHINERY & EQUIPMENT

- Grinding and regrinding for liberation (SAG and Balls Mills).
- Regrinding of intermediate flotation products (foams scavenger plus tailings from first cleaning).
- Tailings regrinding, rougher bulk flotation.
- Foams regrinding (IsaMill, Verti Mill, SMD).
- pH control.
- Cyclones and classification.
- Conditioners.
- Rougher flotation cells (Type of foams discharge gutters).
- Cleaning cells (Column and Jameson).
- Slurry level controller.
- Big Cells. Pneumatic Cells.

III. CONTROL STRATEGY

- Online chemical law analyzer, setting strategy.
- Online particle size analyzer, setting strategy.
- Expert in primary and secondary grinding.
- Expert in classification with cyclone clusters (sensors).
- Video cameras and flotation control.
- Reagent dosage strategy automatic.
- Metallurgical research with experimental design.
- Optical and scanning microscopy for flotation.
- Statistics for data management in flotation process control.
- Digital Transformation in Plants. Advanced Process Control.

IV. HUMAN RESOURCES AND RESEARCH

- Training.
- Security systems.
- Environment Control.
- Modeling, Simulation and Testing.
- Plant Optimization.
- Best practices in plants.

DIRECTIVE COMMITTEE

CHAIRMAN: Eng. MARCIAL MEDINA

Processing Plant Manager
Constancia Mining. Hudbay Perú

Courtney Young

Distinguished Professor of Minerals
Processing and Extractive Metallurgys
Montana Tech, USA

Alfonso Muñoz

Process Plant Manager
Minera Chinalco

Ronald Díaz

Operations Vice-President
Gold Fields

Hilario Gorvenia

Specialist in Management in
Operation and Metallurgical
Processes

Hernando Valdivia

Metallurgy Superintendent
Cia. Minera Antamina

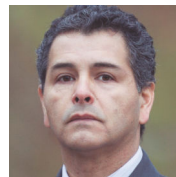

Daniel Yataco

Process Plant Manager
Glencore Copper

Antonio Bravo

Metallurgy Superintendent
Minera Antapaccay

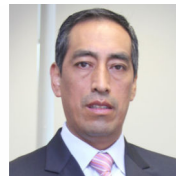

Juan Anes

Expert in Plant Optimization
Technology Director
Flotecc LLC

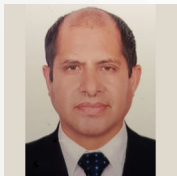

José Pariona

Operations Superintendent
Minera Las Bambas
MMG Limited

David Estrella

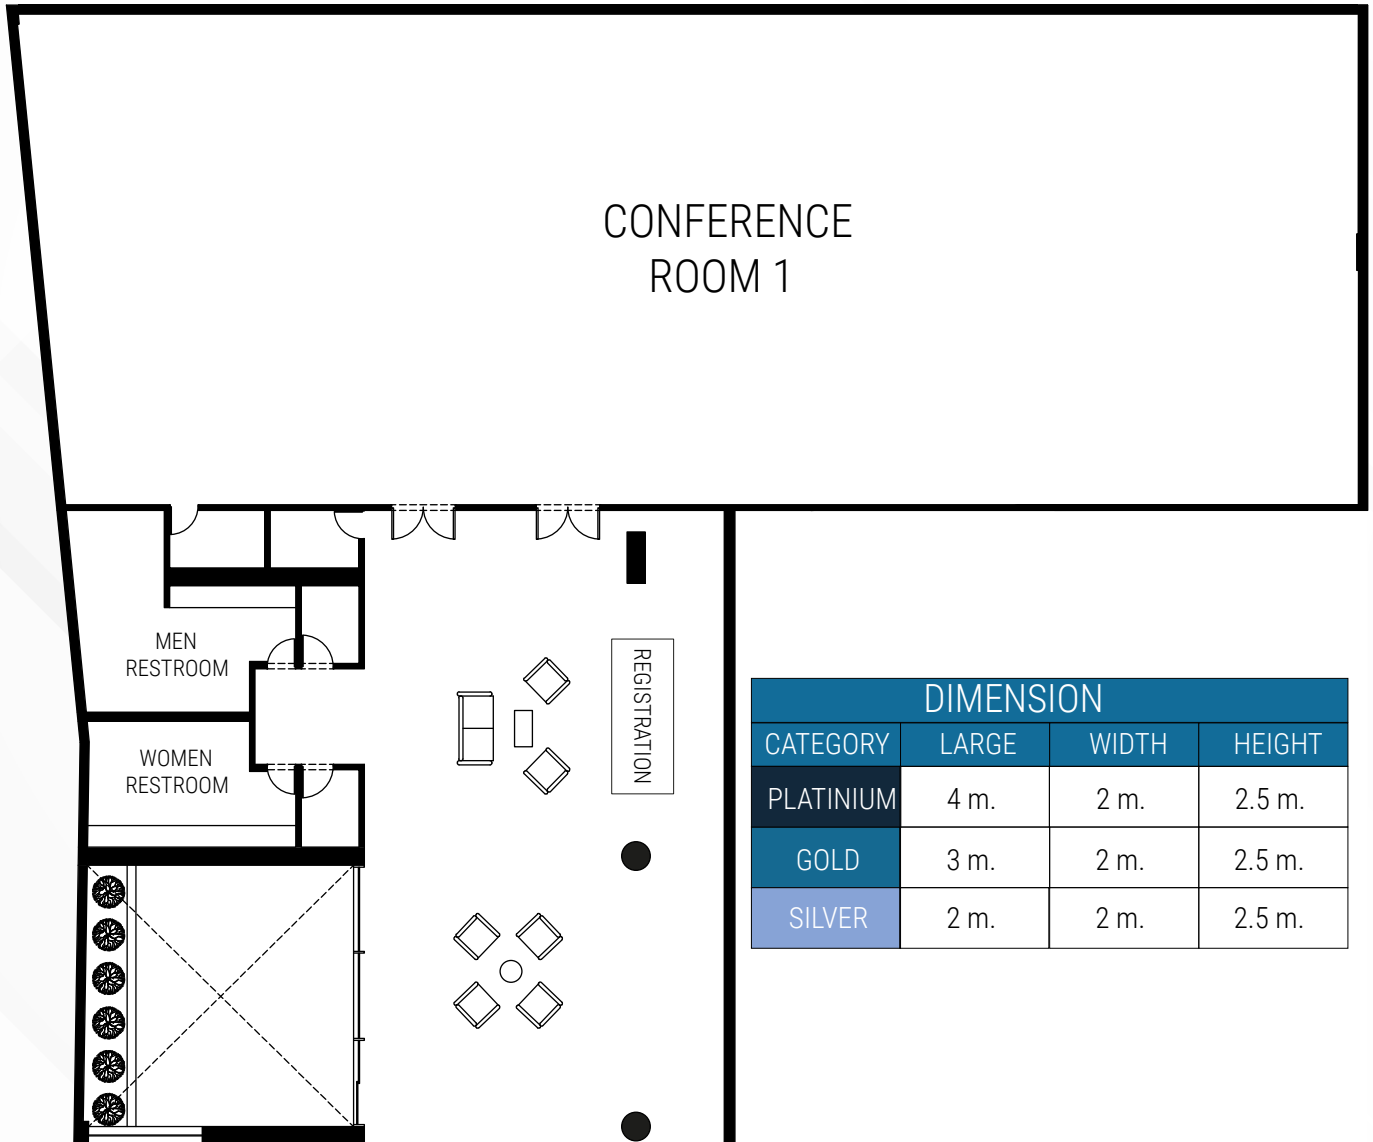

Concentrator Plant Manager
Cia. Minera Antamina

Emilio Delgado

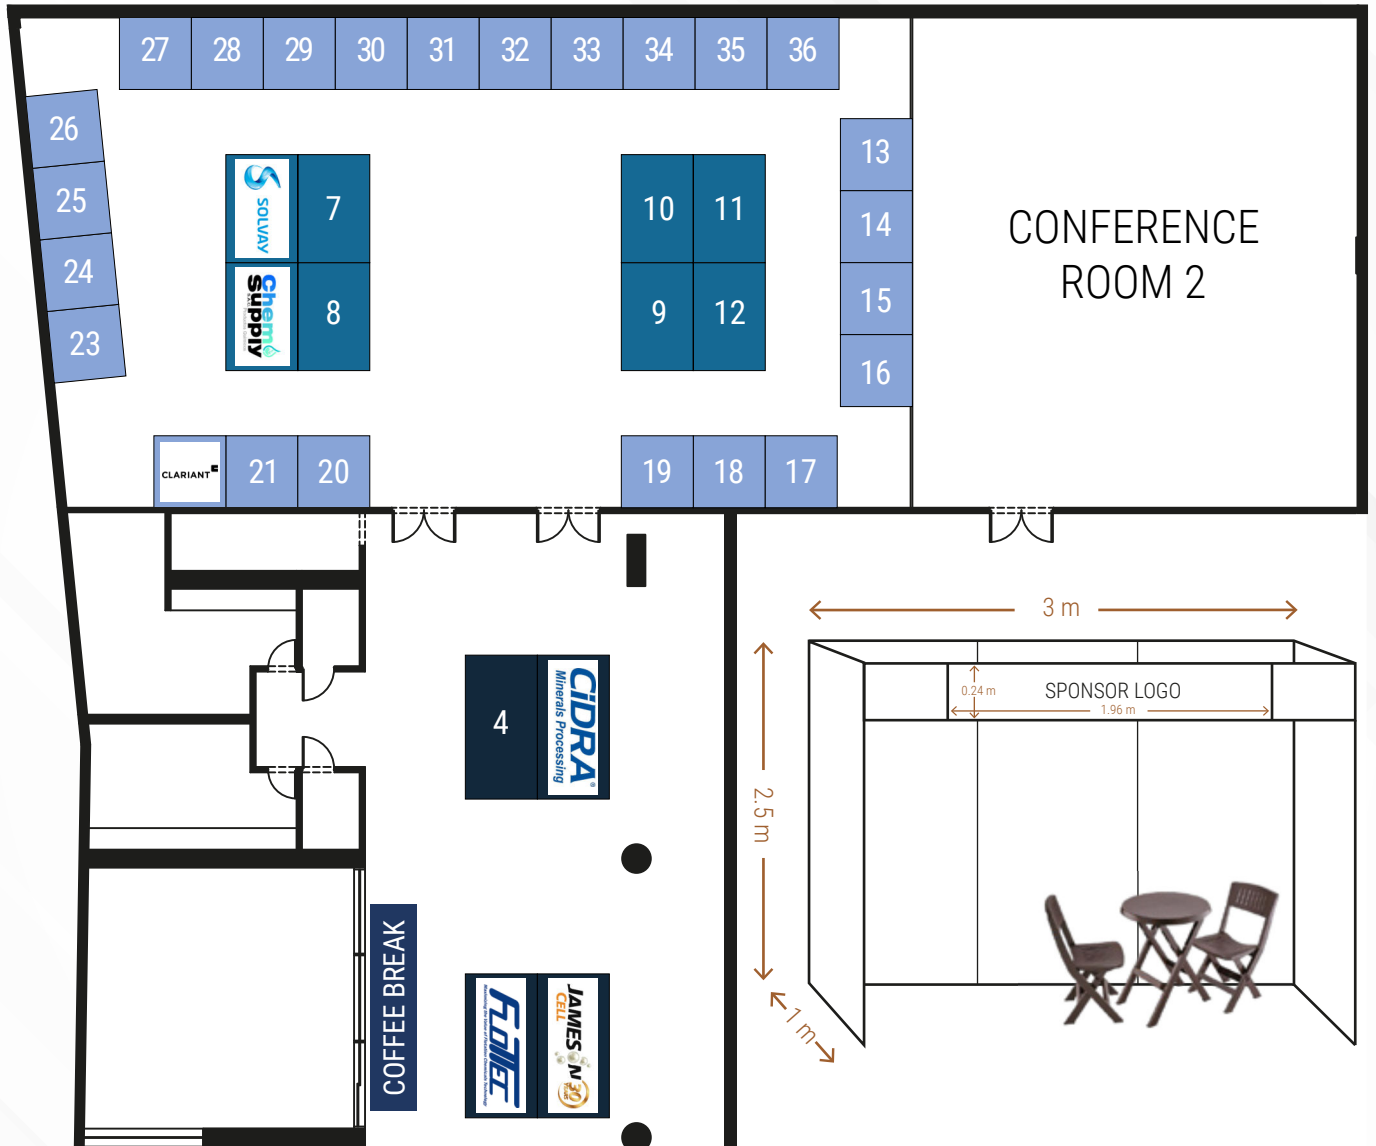

Consultor
MSEC, Chile

SPONSORSHIPS

FLOTATION 2022 offers this unique opportunity to let your company name, show your services and products and generate commercial and technical networking with highly qualified professionals. Participating as a sponsor, your company will be in a Seminar that gathers those professionals who make critical decisions in the mining industry.

This conference is organized by International Metallurgical Consultants (InterMet), the company developing Mining Quality Conferences being the leader in Peru for ten years.

VIP SPONSORSHIP

DIAMOND

- Appreciation mention during the 3 days of the event
- Words from the representative of your company at the beginning of the conference
- Institutional video (3 to 5 minutes)
- Booth 4x1 meters (position 4) + Virtual booth
- Right to hold a symposium of no more than 45 minutes during preferential hours in coordination with the Committee and highlighted in the program
- 5 free passes for the conference
- 20 tickets for the trade show
- Logo in the best position in our digital broadcasts
- 1 page advertisement in the official program
- Presence with banner in conference room and foyer
- 2 advertising brochures in handbag
- Logo on signage
- Option to offer prizes and/or giveaways for participants
- Recognition before and after the congress with the logo in a preferential position
- Broadcasting of your propaganda (merchandising, posters) by event staff
- Logo on the book Flotation 2022

INVESTMENT: US\$ 20,000 + TAXES

SAPPHIRE

- Appreciation mention during the first day of the event
- 2 free registrations to the conference
- 10 trade show tickets
- ½ page advertisement in the official program
- Presence with banner in auditorium and foyer
- Recognition before and after the congress with the logo in a preferential position
- 1 advertising brochure in handbag

INVESTMENT: US\$ 4,500 + TAXES

OTHER SPONSORSHIPS

COFFEE BREAK	The Conference will have 4 breaks with an outstanding selection of snacks and drinks. Mention of your brand in the session prior to the coffee break and in the program. INVESTMENT : US\$ 4,000 + TAXES
BRIEFCASE OR BACKPACK	The logo of your company on the handbag or backpack that participants will receive. INVESTMENT : US\$ 3,000 + TAXES
USB	The logo of your company on the USB that contains the papers and digital presentations to be presented at the Conference. INVESTMENT : US\$ 4,500 + TAXES
BOOK OF ABSTRACTS	The logo of your company on the physical technical document highly appreciated by the participants. INVESTMENT : US\$ 4,000 + TAXES
LOGO ON CREDENTIALS	Participants will visualize your brand by being present all the time in the identification of all participants. INVESTMENT : US\$ 5,000 + TAXES
SESSION	Your brand will be mentioned at the beginning of the session, your logo will appear in the technical program, you can place advertising on the seats of the conference room. Valid for sessions 2,3,4,5,6,7 or 8. INVESTMENT : US\$ 2,500 + TAXES
COCKTAIL	Your brand will be mentioned and obliged at the end of the last session of the day. It consists of wheels of drinks and liquors along with hot and cold snacks. Valid for November 9, 10 or 11. INVESTMENT : US\$ 8,000 + TAXES
LUNCH	Your brand will be mentioned and obliged at the end of the previous session. Your logo will be placed on each table. National and international menu. Networking opportunity with the committee, experts and other mining personalities. Valid for November 9, 10 or 11. INVESTMENT : US\$ 5,500 + TAXES
DINNER	Your brand will be mentioned at the beginning and end of the sessions on November 10th. Your logo will be placed on the technical program and on each table. Peruvian or international menu. Networking opportunity with the committee, experts and other mining personalities. Valid for November 10 . INVESTMENT : US\$ 6,000 + TAXES

Flotation 2022

VENUE:

Calle Bellavista 133. Miraflores, Lima - Perú

ORGANIZED BY:  InterMet

WHY PARTICIPATE AT INTERMET CONFERENCES?

- Participation of professionals who make decisions and engineers in mining projects and operations.
- Properly growing networking in the mining industry includes firms, top suppliers, researchers, world-class experts and governmental authorities.
- Participation of more than 30 CEO mining worldwide firms.
- Diffusion of more than 2,600 verified contacts on LinkedIn and more than 100,000 mining engineers through our media partners, social media and participation of InterMet in the main mining events and conferences worldwide.
- Reasonable investment for important tradeshows and networking activities by InterMet.

METHOD OF PAYMENT

- **First installment:** 50% to guarantee your sponsorship.
- **Second installment:** 50% remaining until February 25th, 2022.

COMMERCIAL CONTACT

- Lida Quevedo : lida.quevedo@intermetperu.com  +51 993539318
